Hello So,

Per your request below, please find attached the revised legal description for the Switchback area.
Kindly review, let me know if you would need anything else.

Thank you
Selim Sawaya P.E. / P.L.S.

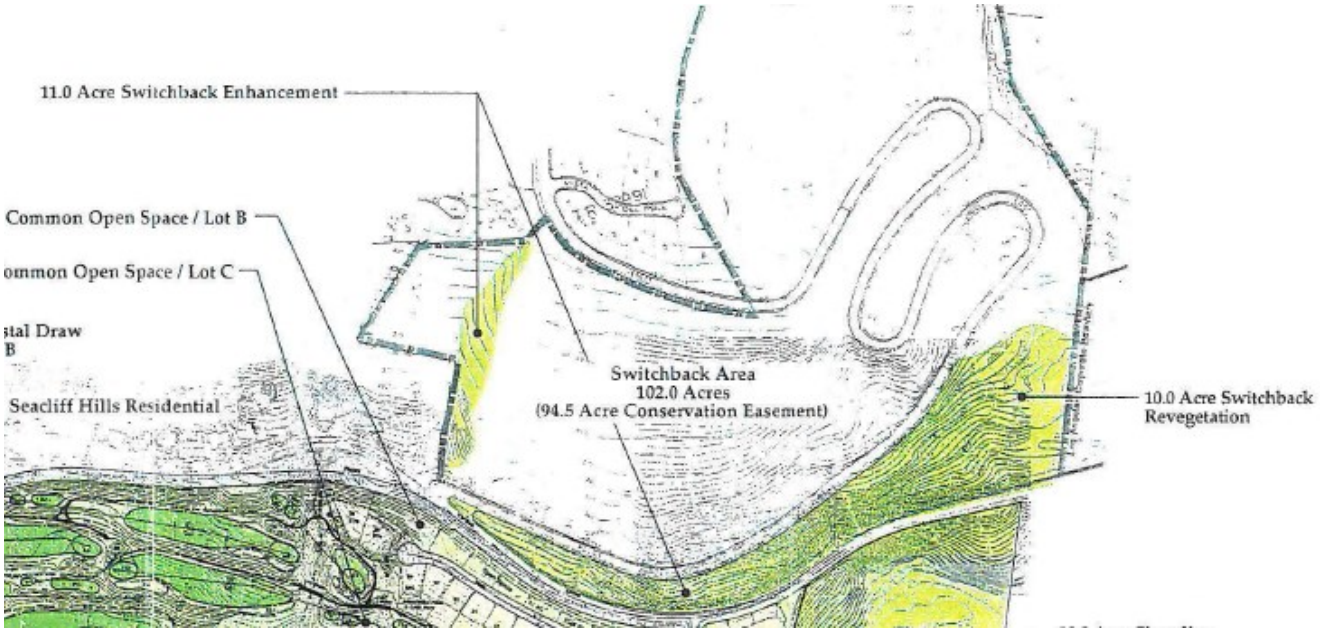
Hi Selim,
Below is a snapshot of the site plan shown in the Habitat Conservation Plan that identifies the 21 acre habitat enhancement/revegetation areas. The HCP was later revised so that the 10 acres of the Switchback areas was relocated elsewhere. So the obligation area is 10 acres in the Switchback area. In the past, the Trump Organization did enhance/vegetate 10 acres. However, there was also a requirement to maintain these areas. I understand that you spot-picked areas that currently have habitat, which is the reason why your exhibit shows 3 separate areas that are not contiguous. Please revise the exhibit so that the 10 acres is contiguous within the areas highlighted below. Should portions of the depicted area be absent of habitat, you will need to revegetate/maintain.



Sincerely,
So Kim, AICP

Hi So and Danny,

Attached, please find the depiction of the areas within the switchbacks lot that are to be maintained by the Trump Organization. The depicted areas are 11 acres as required.
Please review, let me know if you would need anything else.

Thank you

Hi Jill/Selim,

We need an exhibit for the Switchbacks License Agreement to delineate the area that the Developer is required to maintain in order to finalize the Switchbacks License Agreement for recordation. So sent an email to Selim on 10-16 with a request to prepare a depiction (and if possible, a legal description of) the following area. The entirety of the vertical part should be included, then begin adding the habitat areas from the west to east, until a full 11 acres is included. Please contact me with any questions. I'm available on my cell anytime at 949-677-6464,

Danny Aleshire

Hi Danny-
I just want to make sure that I am clear on our obligations and what Selim is preparing. Selim is to provide the entire Switchbacks conservation area in the exhibit, but our maintenance obligations remains only for the 11 acres, correct?

Hi Selim,

I wanted to check back on the status of this. I still need you to prepare an exhibit showing the Switchback areas in order to finalize the Switchbacks License for recordation.

Thanks,
Danny

Hi Selim,
Thank you for speaking with me today. Per our discussion, please disregard my last email and refer to the image below. The entirety of the vertical part should be included, then begin adding the habitat areas from the west to east, until you hit 11 acres. Please contact me with any questions.

Hi Selim,
In reviewing the HCP and NCCP documents, the 11 acres should be the vertical area identified with the white circle below.

Sincerely,

Hi So,

Pursuant to your e-mail below, I have identified 2 areas for your review that appear to have vegetation.
Kindly, let me know if the areas a shown are acceptable to the City so I Can provide the easement documents.

Thank you

Hi Selim,
Yes, as there appears to be no other option. I believe it's in that skinny north/south highlighted area depicted in the HCP. If you believe that it's elsewhere, let's discuss.

Sincerely,
So Kim, AICP

Hi So,

I have not heard from you regarding the switchbacks easements.
Can we carve out the 11 acres that we are obligated to maintain so I can prepare the legal description for it?
Kindly let me know

Thank you
